

Firm helps with bags for Social Services

EASTVILLE — During the week of Feb. 12-16, Schneider Development will team with the Northampton County Department of Social Services to continue with its Better Beginnings Campaign.

Children are removed from their homes and placed into the foster care system as a result of some form of abuse or neglect. Sadly, their belongings are often collected in a trash bag.

A child being removed from his or her home deserves the dignity of taking belongings in a

bag of their own, the firm feels.

To accomplish this, Schneider Development is asking the community to bring new or gently used duffel bags containing toiletries like shampoo, toothpaste, a tooth brush and soap to the Schneider Development office at 223 Mason Ave., Cape Charles. All bags will be delivered to the Northampton County Department of Social Services.

For more information, call 331-1499.
